

ASP

support teams

report

ASP Annual Meeting, Reykjavik, 8-9 October 2019

Agenda – ASP support teams

- ASP organization
- ASP support team members
- ASP website overview
- ASP teams and tasks
- Future projects
- Issues and suggestions

ASP Support Team Members

- Add Johnny Johansen to Associate Member for Admin/Operations
- Add Else Lovstrom to GINR Communications
- Add Samuel Swanson to UM Communications
- Add Anette Rasmussen to AU Operations/Labs (make new Lab team)
- Choose to remove students team off the chart in exchange for Labs and list individual associate members?

Operations

- Egon to update ASP website for Operations tab
- Equipment inventory list will be updated by each institution.
For specific projects, contact each other to find out what instruments are available to share

Communication

- Resume monthly meetings and work on updating the ASP website and writing research stories
- Need to promote the ASP website and activities more for each institution
- Social Media outlets – Twitter, Instagram, Facebook, etc. Each institution to make their own posts
- Need to add ASP research publications from all PI's, similar to the ARC website
- ASP website primarily used for documentation purposes

Administration

- Business as usual – works well

Labs

- Need to list Lab Facilities for each institution on the website and add contact person for each
- Work together to standardize lab analyses and methodologies
- Marcos, Else, Anette, AWI TBD, Tromso TBD, Laval TBD, DFO TBD will start monthly meetings
