

## Minutes from ASP monthly meeting

Date: 5 May, 2021

Present: UL, UM, AU, UiT, DFO, AWI

Absent: NTNU, GINR, KU

### Agenda

Follow up from annual 2020 ASP virtual meeting and short round table updates

### Round table:

UM: Field work in Hudson and Cambridge Bays. Churchill opens up in the fall. New project Gary. Experimental Lake area projects with Tim. Preparation for PhD school. Baffin Bay seminars continues. CFI proposal writing.

UiT: Field campaigns - Fram center project in Svalbard. ARCTOS PhD course across the Polar front (Helmer Hansen). Despite corona we manage fieldwork. Proposal for two cruises to polar dream

UL: Not a lot happened since last meeting. Takuvik cruise fall still in the plans.

AU: Field work has started in NE Greenland. But seems like the rest of the people getting up through Iceland and East Greenland will be delayed due to restrictions of direct entrance through Constable Pynt. The Polar dream cruise from Nuuk-Kong Oskars fjord in August still in the plans. Also mostly working on data, manuscripts and proposals like everyone else...

AWI: People on their way to Svalbard for field work. All in quarantine in Oslo. Polar Stern cruise on the way to Fram Strait (June campaign). All other Greenland projects on hold.

Next meeting will be 1 June 2021.
