Ad. 2

Heather has some issues on shipping to Antarctica – radar equipment

Ad. 3

Safety procedures for working on sea ice. What experience do we have?

Decided to present the safety regulations we have on the next meeting. 3-4 slides each. Discuss from that. There are courses in Nuuk and at UNIS.

Ad. 4

Decided to meet every month during the spring. Main issue on the agenda will be the safety issues.

Ad. 5

No other businesses
