ERF introduction to common meeting between ASP Operations and Isaaffik logistic group

#### Ad. 2.

GEUS – Marianne and J rgen:

Some confusion on when GEUS needs to apply for working in Greenland on mapping project and other minerals related projects. Seems like they don't need to apply for the project in Ilulissat this summer, since it is carried out for and in collaboration with the Ministry of Mineral Resources.

The GC-net project got their permission just in time before fieldwork started.

CEOS – Ashley:

Dave Babb is going to Greenland

On the M llers project are they purchasing and packing
