Agenda for the meetings:

1. Around the table – any news from the participants
2. Shipping issues
3. Safety issues – Presentation of summary of safety presentations – how to move forward?
4. Any other business

Ad. 1.

- GNI – Almost all fieldwork is done for this year. Everything went well
- KU – Finished the field work at Müllers Ice Cap. Three containers are on the way home – two for Winnipeg and one for Copenhagen
- CEOS – Finished Amundsen cruise and everything else for this year. Working on wrapping up after the season
- AU – The season went well – only Tasiilaq tour is left. Will happen last part of October

Ad. 2.

Discussion on Shipping/Inventory database. We will meet in Aarhus the first week of March 2026, to discuss this and look further into the ARC/CIFAR system

Ad. 3.

We decided that the Safety task has dead end here. Every institution must take care of own rules.

Ad. 4.

Would like to repeat the Wild life seminar on GEUS – with more focus on general wildlife and not only Polar Bears.

Next year we will meet every second month – Next meeting will be in January (Some of us see each other in Nuuk in November)
